Policy documentation

We are developing ways to make our customer's lives easier, and in today's world of smartphones and other digital technologies, we will try to provide information to you about your policy in a way that enables you to access it whenever and wherever you need it.

For some products we offer, this includes providing your policy information by email if you would prefer it that way, enabling you to have your policy information on the move, to be stored by you electronically, but also available to you to print at your leisure, although we would ask that you always consider any environmental impacts.

You are always entitled to ask us for paper copies, and for some products we can only offer you paper copies.
